#### Music Minister “Note”

If you’ve noticed less people up front during the praise service over the last month or so, then you’re very observant! And since a couple people have asked me about it directly, I figured I’d clarify what exactly is happening. First off, we have divided into two teams. This accomplishes two goals: First, it gives some well-deserved time off to the singers who have been singing week after week for years on end! Praise God we have such committed servants in the music area, but I’m hoping that they can all have some “times of refreshing” on their off weeks. Secondly, it allows the leadership of the voices to be clearer—in other words, it’s much more effective to lead the congregation with fewer voices leading. That’s not to say we won’t ever have bigger groups, but they will sing more as groups (as you’ll see on Pentecost!), rather than a large group of lead singers.

The choir is now on its summer hiatus, so look for some special soloists and instrumentalists to fill in from time to time over the summer. And if you’re a closet musician who would like the opportunity to use your gift in church (or have a talented relative that you’d like to volunteer), let me know! ~ Dave

### Note from Pastor Tyson

Blessings to you from Our Lord, Jesus Christ!

In April, we started our transition to Summertime! We had a wonderful unified service with "Wrap-Up Sunday," saying "thank you" to God for the blessing of the people at LCOL who give so much of themselves in so many ways to push forward God's mission of saving the lost. That means it was a thank you to YOU! May God continue to bless LCOL and your neighborhood with your godly work. With Wrap-Up Sunday behind us, we take a break from some of our midweek activities for the summer, including Wednesday night E6:10, choir, Youth confirmation, and Bible Babes.

Thankfully, God continues to work through His Spirit amidst us (even when the sun is out and the heat shows up!) We continue to meet on Sunday mornings between services for Bible Study, continuing our reading of the Book of Acts, learning about what Christ does through His Church. We also have another unified service for Pentecost Sunday on June 9th! Pentecost was the day that the Holy Spirit was poured out on the disciples of Jesus, so we will join together to celebrate the unity of the Spirit with us at LCOL. I hope to see you there at 10 am or at Bible Study beforehand at 9am!

I pray for you all that God would continually and richly bless you in all that you do, as you follow His ways this month. Through trials and difficulties, through blessing, and ease, God has promised His Spirit to be with you - and He is with you!

In Christ's Name,

Pastor Tyson Bentz
