## Lutheran Church of the Lakes

### Note from Pastor Tyson

Christ is Risen!  
He is Risen, indeed!

Easter day has come, and we continue to celebrate the reality of our Risen Lord and the life He has given to us! Even God's creation has begun to demonstrate the new life we have with the flowers, leaves, and beautiful, warm days. Praise God!

May certainly brings a new feeling to LCOL and our activity in God's mission. With the certainty of a Savior who conquered death, we seek to share the love of Christ and the Good News that death is not the end. The Outreach Team will be meeting with a new purpose: to actively care for and invite our neighbors. Starting with about 10 people, we know that God will bring others to invite AND welcome more people into our church family. Keep your ear out as we continue the conversation about how you can join in the simple action of being part of an inviting and welcoming congregation. If you are available, join the Outreach Team for monthly Bible Study, training, and prayer and see what God can and will do through you, too.

Have a blessed May, filled with the certain knowledge that Jesus is INDEED Risen!

In His Name,

Pastor Tyson Bentz

**May 19, Wrap-up Sunday** To celebrate our brothers and sister of LCOL. We will have a unified service at 10am on Sunday, May 19, called "Wrap-Up Sunday." The focus of Wrap-Up Sunday is to thank the Lord for all He has done in blessing us with volunteers as well as students of all ages. E6.10 Wednesday evening Bible study, Catechism classes and Choir begin their summer break that week. Classes and Choir resume in September.

**VBS** "Miraculous Mission— Jesus Saves the Word" is scheduled for June 24-28. From 4:30– 7 pm. Dinner will be served upon arrival and before the activities. Needed are volunteers to tell Bible stories and lead games. Contact Nancy Teets 517.499.0786.

### Music Minister "Note"

A lot of people ask me about the strange looking little electronic devices that are setup near the front pew in the sanctuary on Sundays. Well wonder no more: one of the devices is a camera and the other is a microphone system, and they record the services each week. They feature some pretty amazing technology that allow me to view and control what's being recorded on my phone. I then edit the videos and upload sermons and other special events to the internet. If you didn't know, LCOL has a YouTube page (you can find it by going to [youtube.com](https://www.youtube.com) and searching "Lutheran Church of the Lakes"). Currently there are many of Pastor's sermons from recent weeks, and you can also watch the Easter Cantata from Palm Sunday. Check it out and subscribe!
