AT
Lutheran Church of the Lakes

A congregation of the
Lutheran Church-Missouri Synod

God is love. Whoever lives in love lives in God, and God in them. This is how love is made complete among us: In this world we are like Jesus.
(1 John 4:7)

Getting Married...

We are so glad for you! We believe all the best things in life come from God. That includes love, family and the people He puts in our lives. If you are after these, you made the right choice coming to God's House to be married.

Lutheran Church of the Lakes feels called to provide sincere and beautiful wedding services that will be the very best foundation for your marriage and family life. That's because we believe a good marriage is a great witness to God who is Himself love.

Preparations...

At your first meeting, **Pastor Steven Newberg** will get to know you and help you plan your wedding. A pastor is a professional dedicated to bringing people to harmony and well-being in God's love—work that Jesus began.

His goal over three meetings is to help you authentically engage with each other and learn to creatively make the most of your differences.

The Service...

Lutherans maintain one of the most elegant and meaningful of Christian wedding services. In the greatest tradition of the church, it unites husband and wife through the real presence of Jesus Christ. His promise to forgive and faithfully love us becomes the bride and groom's promise to each other.

The Lord will take delight in you. And your land will be married. As a young man marries a young woman, so your Builder will marry you. As a groom is happy with his bride, so your God will be full of joy over you.
Isaiah 62:4-5

The mission of our church is to bless those we marry with an invincible Love that finds its source in Christian Faith.

Our wedding service may not be right for everyone. All weddings at LCOL are at the spiritual discretion of our pastor who is called to serve those seeking the particular faithful and merciful lifestyle commended by God's Word.

Music

For two thousand years the church has been celebrating weddings with some of the most beautiful music ever written.

Rex Engle, Our minister of music & organist has 40 years experience leading sacred music. He can help you choose music, play and accompany your own artists to ensure your music, old or new, expresses your joy.

The peace that Christ gives is to guide you in the decisions you make; It is to this peace that God has called you together in the one body...Christ's message in all its richness living in your hearts. Sing psalms, hymns, and sacred songs; sing to God with thanksgiving in your hearts.
Colossians 3:15-16

Facilities

God has blessed us with a beautiful sanctuary capable of seating 400. We also have a hall available for receptions up to 100 guests and for rehearsal dinners.

Nancy Teets, our Wedding Coordinator, makes certain that all the details of your wedding day are handled just right, so your attention can remain where you want it.
